The site appears to be the interior of a home. There is a white and blue ceramic vase present and material or a sheet hanging up. A soft or furry object can be found at this location.

People are at the site. A young man appears to be working on something. A long, tall, sharp, object is off center to the right in the picture. This site shows things for people's pleasure or enjoyment. It may even illustrate the way things were at another time. The target exists for the sake of the image and is representative of a person, era, or event.
